Children's Faith Formation

We are looking for volunteers to help with the Religious Education program. We need catechists (teachers), assistants, room parents, and occasional helpers. God calls us all to help in His Kingdom. You do not have to have children in the RE program to help. Older adults and youth are always welcome and needed. It takes a community to share the faith and build the Kingdom.

Registration form and Class Schedule for Children's Faith Formation are on the table in the gathering space and also available on our website <https://olrboise.org/elementary>.

Catechesis of the Good Shepherd Formation for Catechists of 3-6 year-olds
Our Lady of the Rosary has been implementing Catechesis of the Good Shepherd for our 3 to 6 year-old children for four years and the program is growing! We are in need of adults to step forward who would like to be trained as catechists to walk with these young children on their spiritual journey. This year, a new course will be offered at OLR on Tuesday mornings from 9am to 12pm throughout the school year beginning on September 6th. Please prayerfully consider if you are being called to this ministry. Contact Tina Punnoose for more information tpunnoose@olrboise.org

"Unless you turn and become like little children": Exploring the Spirituality of Childhood through the Lens of the Catechesis of the Good Shepherd
Are you intrigued by Jesus' words in the gospel of Matthew, "Unless you turn and become like children you will not enter the kingdom of heaven" (18:3)? Join this adult spirituality course that will meet twice a month on Tuesday mornings at Our Lady of the Rosary from 9am to 12pm. Together we will experience and ponder the spiritual richness of the three to six year-old child, considering how we as adults can support the child's spiritual life, while also attending to the ways these children can lead us in our own lives of discipleship. The course will begin on Tuesday, September 6th. For more information and to register contact Katy Beedle Rice at katybeedlerice@gmail.com or (907)209-1713.
