**DISEASE AND SIN** The begging leper and the paralytic, dropped in, and both wanted to be cured of their ailments, including their sin. Overcoming religious fears and social customs, they made their requests. Jesus replied, "Yes, of course," and then made the point that healing from sin and healing from disease are two sides of the same coin. Do we have courage enough to overcome worries and beg healing from the Lord in the church? If we seek sacramental reconciliation, Jesus will surely reply, "Yes, of course."
