The Baptism of the Lord

January 13, 2019

It has been suggested the most important part of our Eucharist is the dismissal: Go forth to love and serve the Lord. Without that, what benefit we derive from the celebration remains among ourselves. And that's contrary to the church's mission to go out to the ends of the earth and make disciples of all. Our baptism claims us for the mission, just as Jesus was claimed by the voice from heaven as the beloved Son. The words of Isaiah outline the message of God's chosen one: a proclamation of justice to the nations. As we go forth in loving service, we carry the mandate of justice for the sake of all God's beloved children.
