THE LIGHT OF CHRIST

Paul tells us that he came not with oratory or philosophy, but simply to tell what God had guaranteed. Paul also wrote that our faith should not depend on human philosophy but on the power of God. He is not anti-intellectual, but he puts "first things first." Our salvation comes by God's initiative of love through our crucified Messiah, Jesus. We are also told that we are "salt" and "light" before all, meant to change the flavor of the world and show ourselves and others the way in Christ. How goes it with you?
