## **2023 Idaho Catholic Appeal**

Parish support is critical in order to ensure the success of the 2023 ICA. We are a part of the Body of Christ, called to serve.

Let's all pitch in as one parish family to make our goal and help the thousands of Idaho Catholics and Idaho citizens whose lives are touched by the ministries and services provided throughout our Diocese.

Education in the Catholic faith for youth and adults, seminarian and deacon formation, youth ministry, Catholic Charities, prison ministries and many more all receive funding as a result of your generous contributions to ICA.

Determined to be a fair share of our diocesan responsibility, it is important for us to meet our goals. We know times are difficult. Every amount whether large or small will help build up the Body of Christ in Idaho.

Giving generously to this year's appeal enables us to grow in our understanding of what it means to be good Christian Stewards.

Envelopes can be returned in the offertory basket or returned to the Parish Office, or you can mail directly to the Diocese.

## The Truth About Abortion & Surrogacy in Idaho: A Symposium

We were told that Idaho's abortion laws need to be changed to not only permit abortion to save the life of the mother, but her health. We were told that Idaho is a popular destination for surrogacy and that the "industry" needed special regulation to protect the babies, parents and the surrogate. Learn the truth about the science the law and the 2023 legislative activity.
