CLOUDS OF WITNESSES Jesus brings blazing fire into creation. This fire destroys all that is not of God and purifies us for our real life. God's Spirit produces "clouds of witnesses" surrounding and joining us in worship before our creator. Jesus leads us in our faith and brings it to fullness. By his cross, he pulls us after him. The hard and continuous work of the Trinity leads us to a life of grace and a share in the family life of God. It is the exacting joy of salvation!

Moments of Mercy

Mercy is more than just forgiving people; it is about considering the needs of others and responding to them in a loving and compassionate manner. It is a call to look beyond ourselves to the way in which we interact with the world as Christians. Pope Francis encourages us to "return to the basics and to bear the weaknesses and struggles of our brothers and sisters. Mercy is the force that reawakens us to new life and instills in us the courage to look to the future with hope" (MV, no. 10). We have hope in our salvation by our faith in Christ. However, not everyone shares in this hope, so we need to spread this hope by becoming "merciful like the Father" (MV, no. 13). *From USCCB.org*

1. Sometimes, having hope can be challenging when we are faced with difficulties in life. This month, pray for someone who is going through a difficult time that they might find hope and peace in God.

2. Back to school time! Though it is nice to have new clothes and new supplies each year, consider reusing what you already have. Instead of buying new things for yourself, use that money to buy school supplies for those who are in need. See if your local community already has a drive for school supplies to donate to, and if not, consider starting one.
