### Catholic Corner

#### **Why do Catholic bless everything?**

*Have you ever seen people asking the Priest or Deacon to bless items like Rosaries, cars, pets etc.?*

*Blessings are an important way to honor God and acknowledge that all of the material world can lead us to do God's will. The Catechism of the Catholic Church says, "When applied to man, the word 'blessing' means adoration and surrender to His creator in thanksgiving" (CCC 1078).*

*When items, places, animals, etc. are blessed, we acknowledge that they, first and foremost, belong to God and can help prepare us to receive and cooperate with God's grace. It is also a great way to show our thanksgiving to God for all that He has given to us.*
